

**Dr. Magid Al Gunaid**

*Public Health Programs Director, Global Health Development | Eastern Mediterranean Public Health Network (GHD|EMPHNET)*

Dr. Magid Al Gunaid is the Public Health Programs Director at Global Health Development | Eastern Mediterranean Public Health Network (GHD|EMPHNET). He is a medical doctor specialized in Health Systems Management and Public Health Administration

From 1996 to 1999, Dr. Al Gunaid served as the District Health Director in Ibb governorate at the Ministry of Public Health and Population (MoPHP), Yemen. He was then appointed as the Director of Health Insurance and later held the positions of Director General of the General Planning Directorate and Director General of Health Policy and Technical Support Unit until mid-2004. In June 2004, he was appointed as the Deputy Minister for Primary Health Care at the Ministry of Public Health and Population in Yemen.

In his current role, Dr. Al Gunaid oversees six public health programs, including Polio and Immunization, Public Health Emergency Management Centre, Diseases Control, Health Protection and Promotion, Environmental Health, and Neglected Tropical Diseases.
